WELCOME TO KARMA'S WORLD

GRAB YOUR MICROPHONE (OR A HAIRBRUSH!) AND SING ALONG TO YOUR FAVORITE SONGS FROM KARMA'S WORLD USING THESE LYRIC SHEETS

When good goes around it comes back around
When good goes around it comes back around
When good goes around it comes back around
When good goes around it comes back around

Hi my name's Karma and I'd like to say
I'm the future and Imma change the world one day
I'm from Hansberry Heights that's where I stay
And I love to make music everyday
Don't mind my little brother
He gets on my nerves
His inventions are amazing
Some are absurd
He's creative with his things like I'm
creative with words
We're a family with talent from what
I observe (Yeah!)
Family and friends let's change the world (La la la la)
Welcome to Karma's World (heyyyyy)
To the kids
The boys and girls (La la la la)
Welcome to Karma's World

When good goes around it comes back around
When good goes around it comes back around
When good goes around it comes back around
When good goes around it comes back around

Listen, I got a few best friends that I hang out with
Like my homeboy Winston and my homegirl
Switch
See all of Winnie's videos are so legit
And when Switch is on the beat it's a classic hit
You can catch me in the garden chillin with Ms.
Dubs
Our 'hood President showin everybody love
Mr. Crawford playin chess is not what you want
Cuz you'll never win if you can't smell that funk
(haaa!)
Family and friends let's change the world (La la la la)
Welcome to Karma's World (heyyyyy)
To the kids
The boys and girls (La la la la)
Welcome to Karma's World

When good goes around it comes back around
When good goes around it comes back around
When good goes around it comes back around
When good goes around it comes back around

Oh yeah I'm headed to the diner
To see Chef Scott
Purple scones are my favorite and they hit the spot
The Torres record shop is right up the block
She always knows what's hot
The latest music to drop
I go to Peachtree Middle
Yeah that's my school
I have a lot of good friends and I think they're cool
But there is this one boy
I'm always makin him mad
Look it's not my fault I rhyme better than Crash
Family and friends let's change the world (La la la la)
Welcome to Karma's World (heyyyyy)
To the kids
The boys and girls (La la la la)
Welcome to Karma's World

When good goes around it comes back around
When good goes around it comes back around
When good goes around it comes back around
When good goes around it comes back around

VISION BOARD PROMPTS

A Vision Board is a fun way to create and record future big dreams and goals visually. It consists of various images, words, and even 3D objects that symbolize what you would like to see in your future. It doesn't have to be specific, don't worry too much about the 'how' but think about 'what' you want for 2022 and beyond. Also, there is no deadline for fulfilling your goals so dream BIG. You may not think it's possible in the next year but don't limit yourself, you can do anything you set your mind to!

THESE QUESTIONS ARE DESIGNED TO HELP YOU 'LOOK WITHIN' TO UNDERSTAND YOURSELF AND WHAT YOU WANT FOR THE NEW YEAR AND BEYOND.

- What is the world you want to see in 2022 and beyond?
- Who inspires you?
- What inspires you?
- What do you admire in your friends?
- What do you admire in your family?
- What is the problem you want to solve?
- Who are you changing the world for?
- What gives you hope about the future?
- Draw the world you want to see!
- What are 3 goals for yourself in 2022 and beyond?
- Describe how you want your school experience to be in 2022?
- What makes you happy?
- What are some of your favorite words or phrases?
- What do you want to be when you grow up / what kind of work would you like to do? what is your dream job?
- What do you like in your best friends?

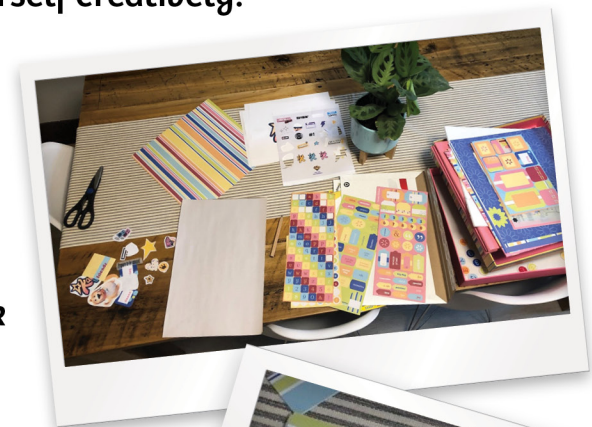

CREATE YOUR OWN VISION BOARD

WHAT YOU'LL NEED:

- A poster board, cork board, or even a recycled sheet of cardboard
- Some old magazines and newspapers or pictures printed from websites
- Glue or glue sticks
- Scissors
